Connect to Cancer Care

Let us help get you there.

Did you know?

A variety of transportation services are available to any York County resident needing assistance in getting to cancer care at area facilities, including, but not limited to:

- The Cancer Care Center of York County
- Southern Maine Health Care
- York Hospital
- Maine Medical Center

What to do?

1. Come in to our office in Sanford:
   6 Spruce Street
   Sanford, ME

   or call 207 324-5762

2. Sign up for transportation, which may be done over the phone. We will need:
   - Your basic information,
   - Your appointment date,
   - Your appointment time,
   - Your appointment location, and
   - How long you expect to be there.

With this information, our staff will be able to determine the most appropriate transportation for your ride.

Funding for this program is provided by the Maine Cancer Foundation and the John T. Gorman Foundation.

Types of Transportation:

Bus/Van
Regularly scheduled routes operate throughout the York County area.

Volunteer Drivers
Operate their own vehicles, have passed rigorous screening, received training, and have a photo ID badge for identification.

NOTE: We cannot guarantee a ride for every trip requested, but we have several options and will make every effort to meet your transportation needs.
